Work Experience:

Atlanta Industries Inc.

Systems Programmer

May 2017 to April 2018

35/F Atlanta Center, #31 Annapolis St., Greenhills San Juan, Metro Manila 1500

- *In a year of stay in this company, I learnt a lot about Web development. I created Helpdesk System with Notification thru email, the feature of this system is to monitor the job of Technical support in the company, also it provides reporting for the admin and customization, set approval in the departments and many more I build that system from scratch using Technologist like PHP(OOP), MySQL as back-end and Bootstrap 4 for Front-End with the help of jQuery and I already implement AJAX to ease the process of data to the Server.*
- *I created Helpdesk System with Notification thru email, the feature of this system is to monitor the job of tech support in the company, also it provides reporting for the admin and customization, set approval in the departments and many more.*
- *I maintain daily the Helpdesk codes and add functionality as my Department Head requested.*
- *My daily task there is to ensure Helpdesk System is running smoothly and there's no bugs at all and review my code daily to enhance and to minimized the workload in the server.*
- *Also, when needed I help ours System Analyst to operate our Focus Enterprise Resource Planning (ERP) System to minimize his Workloads.*

Grosvik Philippines Inc.

PHP Developer

August 7 2018 to January 7 2019 (Project Based)

7th Floor BA Lepanto Building 8747 Paseo De Roxas, Makati City

- *In 5 months of stay here, I finished one project for Search Engine of Vessels and Companies(xyzmarine) around the World.*
- *Using Laravel, I am responsible for creating Controllers in the project also the relationships between Models.*

- *I customized the Models behaviors and properties based on the required requirements.*
- *Modify the User Interface when urgently needed.*
- *Ajaxify the HTTP request of the system and managing the routes of all endpoints in the system.*
- *Participating in the daily stand up meeting for the status of the project.*

MedixServe Philippines Inc.
